Welcome to DSAI 2010. After a successful start with DSAI 2006, 2007 and DSAI 2009 editions, the International Conference on Software Development for Enhancing Accessibility and Fighting Info-exclusion (DSAI 2010) will take place 25-26 November 2010 at SAE Oxford, United Kingdom (www.oxford.sae.edu). We invite authors to submit papers in the following and related areas:

- **Software and Web accessibility**
  - Software engineering for accessibility
  - Web accessibility tools and evaluation
  - End-user development for accessibility
  - E-learning and accessibility
  - Design for all
- **Interfaces and interaction**
  - Ergonomics
  - Accessibility and usability
  - Adaptive interfaces
  - Novel and multi-modal user interfaces
- **Technologies**
  - Mobile Technology
  - Virtual environments
  - Augmented reality
  - Assistive technology
  - Computer vision
  - Automation and robotics
  - eHealth
  - Audio Engineering
  - Smart homes
  - Independent living and active ageing
  - Sound design
  - Social networking
  - Digital film
- **Case studies**

**Paper submission**

DSAI 2010 solicits full papers up to 8 pages in length, in two-column conference format (see submissions). All submissions must describe original research, not published nor currently under review for another conference or journal. The program committee will referee all papers, and accepted papers will be published in the conference proceedings. Selected papers will be published in an international journal.

**Deadlines**

Submission of full papers: July 9, 2010
Notification of acceptance: September 17, 2010
Deadline for registration and camera ready papers: October 1, 2010

The DSAI 2010 conference is a two-day conference.
